

Abstract:

Bachelor thesis „Special relationship? Dilemma of British-American Relations in the First Phase of the Cold War (1945-1956)“ discourses the transformation of anglo-american relations, or special relationship, in the concrete time periode. The thesis is focused on significant historical points which led to this change from the World War II up to Suez Crisis. The main goal of the thesis is to show on examples how and why was transformation of the relations between Great Britain and the USA possible, and to point out the extent of their mutual connectivity.
